ADA square push plates (4.75")

Automatic swinging doors

Description

ADA square push plates improve overall door access, enhance accessibility, and seamlessly integrate with automatic door operator activation. Our ADA compliant push plates are available in a variety of design options, including an alternate International Symbol of Access (ISA) icon.
ADA push plates may be hard-wired to the door operator or connected to dormakaba wireless transmitters.

Features & benefits

- 1⁄16" thick stainless steel for maximum durability.

- Concealed fasteners to minimize vandalism.

- Complete kits available including plates, mounting boxes, and optional wireless devices for ease of ordering.

- Various text, graphic, and ISA icon options available.

- Compatible with both surface and flush mount boxes.
